Who's Who and What's What in Kansas Football.

The Facts and Figures on Championship Contenders.

WHAT THE STARS PREDICT

Washburn Must Defeat Teachers To Be in Running.

Jayhawkers' Scalp Is Ichabods' One Supreme Ambition.

(By Clug.)

Who is who and what is what in Kansas football?

What team is going to come out the big end of the horn with championship colors flying? What's the dope? Who's the favorite?

Although the gridiron season is hardly over, and in spite of the fact that many of the most important battles are yet to be won and lost, close followers of the game are beginning to brood over comparative scores and betwixt their brains with deceptive "dope facts."

What the Stars Say.

A horoscopic chart reading of the fates of the various teams shows the following:

Washburn has Mercury on the ascendant in Aries, making the team quick, impetuous, delighting in dramatic performances and penetrating. But Mars in the fourth house, squared to Mercury, denotes heavy troubles in old age and warns against overconfidence in dealing with Teachers and men of agricultural pursuits.

K. U. has Neptune, the hidden planet, rising and Mars in good aspect to Herschel, which inclines to boldness and self-reliance as well as unexpected successes and failures.

The Emporia Normals have Venus in the fifth mundane house, which tends to success, but Saturn affliction by a conjunction denotes great hopes that are unattainable.

The Aggies are ruled by the moon in the ascendant and the sun in opposition to Herschel. The former indicates precision in scientific accomplishments but the latter tends towards a life of varied vicissitudes.

The ruling planets of St. Mary's horoscope are void of aspects except the moon, which is in opposition to the mid-heaven, afflicted by a parallel with Mars and a semi-sextile with Saturn, all of which tend to bring one misfortune close upon the heels of another.

Washburn Chances.

However, aside from the indications of the stars, the comparative scores and the dope sheets, it looks as though Washburn will have to defeat the Emporia Normals before she can consider herself in the running. To gain an undisputed title, the Washburn team ought to clean up the Aggies.

As the standing now shows, the Normal team has held the Aggies to a tie, and should Washburn win from the Normals and lose to the Aggies, the latter would lay a shadow claim to the honors in spite of the advantage the Ichabods would have.

But it is safe to say that the two big battles remaining to be played on Kansas gridirons will be between Washburn and the Hargis Teachers and Washburn and K. U.

The Teachers' one supreme ambition of the season is to win from Washburn, and the same is more or less true of Washburn's K. U. desires. The Normals will make the fight of their lives Saturday against the Ichabods, and the Ichabods will do the same thing on November 7 when they meet K. U. For this reason it behooves Washburn to be up and doing Saturday to keep the under dog from getting on top, and then to repeat the performance November 7, when she, as the under dog, attempts to climb skyward.

To those who indulge in comparative scores, the following results of the games played so far this season will probably be of interest:

Washburn 7; Nebraska 14.  
Washburn 7; Baker 3.  
Washburn 6; Warrensburg 0.  
Washburn 20; C. of Emporia 2.  
K. U. 48; William Jewell 2.

K. S. A. C. 9; K. U. 27.

## PIGSKIN POINTS

(By Clug.)

There is nothing but hard work ahead for the Ichabods if they expect to continue their triumphant march to an undisputed supremacy in Kansas football. There is no time for gloating over past victories—no time for soldiering on the job. Every member of the team will have to be up and doing from now until the close of the season with just one hard battle after another ahead of them, and for this reason "Crip" Gray training overtime and putting his players through a regular man-making grind.

Mr. Gray knows and is trying to impress the fact on his men that next Saturday's game is one of the most important of the season and must be won. A slump like the team took during the Baker and Warrensburg games would be most disastrous and would practically put the team out of the conference running. There will be stiff practice on Washburn field every afternoon this week and the team should be in prime condition by Saturday.

Emporia, Kan., Oct. 27.—Coach "Bill" Hargis began pointing his team Monday for the Washburn game Saturday. The Blue now looks to be conference champs in embryo, and while the Normal is not in the conference, Hargis will try his best to beat the Ichabods. The Normal is being drilled in attack, the defense having met every test made on it during the games thus far this season.

Ladner looks to be Hargis' fastest backfield man, and the Teachers' attack will be built around this speed merchant. There are half dozen fast men to alternate at the other halves, chief among them being Shupe, Belting, Dewey, Trusler and Hendrickson. The Teachers emerged from their easy game with St. Marys in fine shape. Shupe has a bruised leg as the only injury worth notice, but Hargis believes he will be ready for the Washburn battle. Hargis' men did not expect to play in the formations in the game with the Catholics.

The Normal bleachers are being enlarged and put into shape to receive a big crowd for what is to be the feature game of the season Saturday.

Next Saturday Bennie Owens will invade the Jayhawkers' camp at Lawrence with his Oklahoma eleven and a great contest is anticipated. This game will be the big drawing card of the week on Kansas gridirons and a good battle is brewing. Last year Oklahoma won by a score of 21 to 7, but the Jayhawkers are not expecting any such humiliating defeat this season and are working hard in preparation for the fight.

In order to accommodate Topeka bugs who will want to see this game, the Santa Fe will offer extra accommodations on its regular train, leaving here at 1:25 sharp.

Mr. Lowman's Manhattan Aggies will journey to Columbia, Mo., Saturday and do battle with the Tigers. The Aggies have suffered two crushing defeats within the past two weeks at the hands of heavier teams. They will also be handicapped in the Missouri battle, but Lowman's men may always be expected to put everything they have into their games and there is a possibility that they will slip one over on the Missourians.

Stillwater, Okla., Oct. 27.—Hammering down the splendid defense of the Baylor university team for two quarters, the Oklahoma A. and M. team defeated the Texans here Monday by the score of 60 to 0. Twenty-five men were in the Aggie lineup, the fourth period being played almost entirely by substitutes and second string players. The Aggie back field frequently swung around the ends for twenty and forty-yard gains.

Baldwin, Kan., Oct. 27.—In a well played game here Monday afternoon Baker and Ottawa second football teams fought a 13 to 13 draw.

Ottawa made her touchdown by a series of forward passes. Baker relied upon the punter. Jags and Wags hall of Baker were the stars of the game.

The Mississippi college played the University of Mississippi to a 7 to 7 tie Monday afternoon.

## FEDS RAISE FUNDS.

"Emergency" Money Raised at N. Y. Meeting Will Buy New Players.

Chicago, Ill., Oct. 27.—A fund of about \$100,000 was raised at the New York meeting of the Federal league club owners for "emergency" purposes, President Gilmore announced on his return today, and it is believed the money will be used in efforts to persuade players now with teams in organized ball to join the new league.

Roger Bresnahan, the Chicago National catcher, returned with the Federal leaguers from New York today and was in conference with G. B. Ward of the Brooklyn club. It was announced that he expected to sign as manager for the Wards late this afternoon. No announcement was made of a change of the circuit but President Gilmore admitted having talked with a well known theatrical man who is said to want to take the proposed New York club. An adjourned meeting of the league will be held Nov. 28.

Bresnahan Hasn't Signed.

New York, Oct. 26.—"Roger Bresnahan has not signed a contract with the Brooklyn Federal league club," said President R. B. Ward today, "and in regard to negotiations between our club and the Chicago Nationals catcher, all I can say is that nothing new has developed."

## ST. JOE WINS THREE.

Missouri Volleyball Team Defeats the Atchison Players.

The St. Joe volleyball team defeated Atchison in three straight games Saturday night in easy style at St. Joe. Both teams played well but the Missourians had the advantage from the start.

Next Thursday week Topeka will play St. Joe in the Missouri league and on Friday night of the same week will take on the Atchison team. The standing of the teams is as follows:

Team	Won	Lost	Pct.
Topeka	4	2	.667
Atchison	4	6	.400
Leavenworth	2	7	.222

Manhattan Team Wins.  
Manhattan Kan., Oct. 27.—The Manhattan Ramblers, representing Riley county, defeated the Pottawatomie champion baseball team at Eureka Park Sunday afternoon by a score of 6 to 5, thereby winning the championship of the two counties.

## TOPEKA'S CHANCE

High School Football Team Is Out for Honors.

Game With Lincoln Thanksgiving Will Be Battle Royal.

It will be a battle royal when the Topeka high school football team lines up against the Lincoln high school eleven at Nebraska university field Thanksgiving day.

The Topeka team was badly whipped last Saturday by Ottawa high school. That made their second defeat, the first being administered by Washburn freshmen. Two victories have so far been obtained, one from Manhattan and another from Junction City. There are four more games to be played, Saturday afternoon, the Iola high school team comes to Topeka. They come with a good reputation and will probably put up a good showing.

The second game will be perhaps the most important, as far as school spirit goes, of the season. A special train will be engaged to take high school football fans and fanettes to Lawrence, Friday, November 6, for a game against the Lawrence high school team. Last year, in Topeka, the husky Lawrence team ran away with Topeka eleven, eventually defeating Beatrice, Neb., and winning the Missouri Valley high school conference. Bitter rivalry has always existed between the two teams.

Emporia Plays Here.

The third game will be played at Washburn field, against the Emporia team. There has been little hope brought here of the Emporia team, but in years past, the Lyon county gentlemen have brought a squad of husky players to Topeka.

On Thanksgiving day, the team will go to Lincoln. The Nebraska capital city has a high school team that is formidable this year. Lincoln has been whipping strong teams right and left this fall, every man on the team is said to be a star, and a rather weighty one also.

If Topeka defeats Lawrence, Coach Bencke's men will go to Lincoln with a fighting chance to win the valley high school title, as in 1912. The team at Omaha, which was touted as the best team in the valley, went down to defeat before the young Cornhuskers a few weeks ago.

The following is taken from the Nebraska State Journal, published at Lincoln: "The consensus of opinion is that Lincoln has the strongest aggregation she has ever presented in recent years. The fact that the major portion of the squad is green does not deny the fact that it is a machine all the way up." An Irishman named Mulligan is coach for the Nebraska team. Lincoln defeated Topeka last year.

The most serious game in view for Lincoln this season is against Beatrice, Neb. This game will be played November 13 at Beatrice, the day that Topeka and Emporia meet. If Lincoln defeats Beatrice and Bencke's team defeats Lincoln, then for the second time a Topeka team can wear proper laurels.

## WITH THE BOXERS.

Charley White's Manager Hurls Ultimatum at Welsh—Other News.

Chicago, Ill., Oct. 27.—Nate Lewis, Charley White's manager, has hurled an ultimatum at Freddie Welsh, the lightweight champion, and his handler, Harry Pollok. It is this: That there will be no fight between White and Welsh in Milwaukee on November 9 unless Welsh makes one of two weights, 133 pounds at 3 o'clock or 135 pounds at 6 o'clock. Welsh, it is understood, has asserted that he will scale 135 at 2 o'clock, not a minute later. The 3 o'clock weighing for the commission would then be a mere formality to comply with the Badger boxing law. It is hoped that this trouble is settled, as the fight in this section now are all set and ready to see this championship fight.

White went to West Baden Sunday where he will stay until Thursday when he starts active training at the O'Connell gym. White says he will be in the condition of his life for this fight and that personally he does not care what Welsh weighs. He insists his manager is right, however, in insisting that Welsh do a weight which will get him into the ring pared down almost to lightweight size.

Gibbons Gets Match.  
It was learned here that Mike Gibbons had landed a match at Jim Corbett's club in San Francisco with the winner of the Clabby-Chip controversy which is billed for November 6. It seems that Michael sort of beat Eddie McGorty to this boxing plum. Mike fights a party named Maxwell in Brooklyn tonight and will make a couple of more brief battles in the east before going west for the big match, which probably will be offered to California fans as a Thanksgiving day treat. Here's a tip—this Gibbons fellow is very liable to beat the Clabby-Chip winner. Michael is some fighter.

McFarland Joyriding.  
Packey McFarland, bridegroom, brewery owner and one of the few fighters who has retired from the ring without meeting with a defeat, is home buzzing about the couleuvres with his bride in the McFarland automobile. Packey laughed loud and long when asked if he was being managed by Bill Nolan and was endeavoring to land a match with Freddie Welsh for the lightweight title.

In New York Rings.  
New York, Oct. 27.—Champions of various boxing divisions will be in action this week. Kid Williams, holder of the bantamweight championship of the world, will exchange punches with young Solzbieren of Brooklyn at the Broadway Sporting club of Brooklyn tonight and Mike Gibbons will wind up the card with Billy Maxwell at the same club.

Good Joplin Bout.

Joplin, Mo., Oct. 27.—Sam Langford, the Boston "tar baby," was outpointed and outgeneraled here Monday night by Jeff Clarke, the "fighting ghost" of Joplin, in ten fast rounds. Both fighters were going good at the end of the bout.

## "What Would You Like For Breakfast, Jim?"

Now, you don't even have to light a fire to get the kind of breakfast I like. A little wheat cereal—KRUMBLES, if you've got it—and any fruit you happen to have. Don't go to any trouble at all, please."

KRUMBLES makes a whole meal because it's made from selected Durum wheat. And with KRUMBLES you get all the joy of eating that you get from any food. There's a lot of good flavor concealed in wheat, and the process of shredding and toasting KRUMBLES finds this flavor and brings it out.

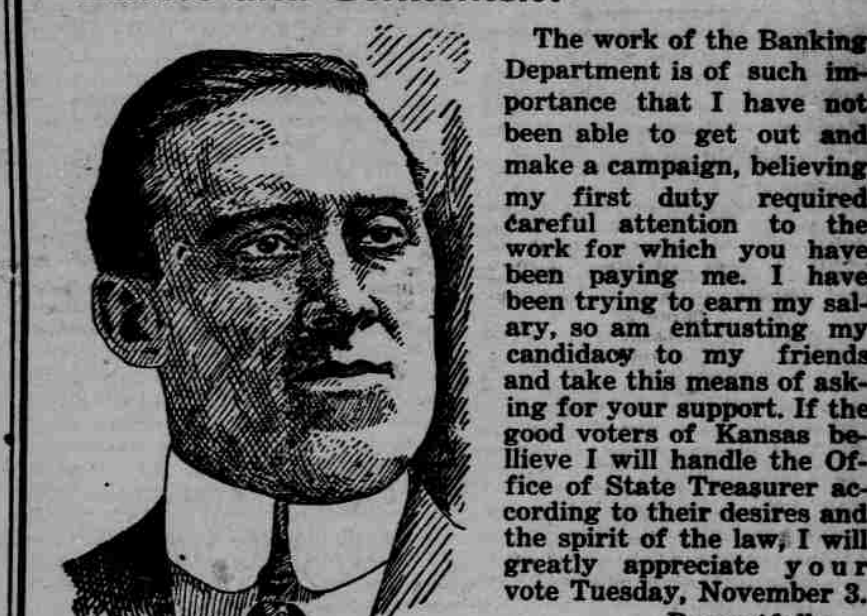

The Kellogg Waxtite wrapper keeps KRUMBLES crisp and clean, and none of the flavor is lost.
